Tips for your Lanyard Artwork

- Vector logos give the best print results
- Outline text or provide us with the font files
- Embed any images
- Graphic backgrounds (**ie not a solid colour**) make sure to size the background to the entire lanyard length
- Text & Logos need to be inside the critical area print lines
- Remove copyright registration (**they will look like a blob!**)

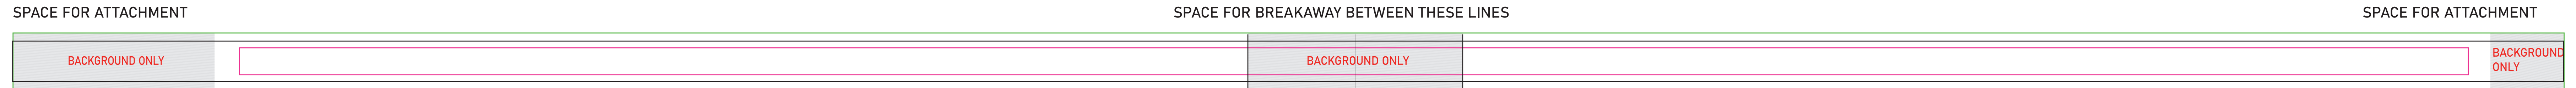

The template is a GUIDE ONLY. Our graphics team will set up the print proof and make adjustments to ensure your lanyard prints to the highest quality.
