Black Line_ Final print size

IMPORTANT INFORMATION

The PANTONE® Matching System (PMS) allows for accurate colour reproduction but we do not guarantee 100% perfect match. Express Lanyards strives to achieve the best possible result during production. Colours and graphics will look different on computer screens than they appear in print, thus the digital representation isn't a truly accurate mock up of the final product. By approving this artwork approval, you are confirming that you have read and checked all aspects of this artwork including the order info, layout, logos, spelling and colours.
